OTTO MEDIA CAPTURES 2014 CHARITY FOR CHILDREN RUN WALK

Syracuse, N.Y., (May 18, 2014) – Otto Media helped build attendance through social media videos prior to the 2014 Charity for Children Run Walk and captured pictures and video at the event.

In 2012, Otto Media had the privilege of being introduced to Charity for Children <http://www.charityforchildren.net> who is dedicated to providing financial and educational services to needy families in Central New York when we created their agency video. Since then Otto Media has donated our video production and photography services whenever possible for this worthy cause.

Next month, Otto Media will be supporting the Charity for Children 2014 Golf Tournament on June 6th. The tournament is sold out but there are still some great opportunities for sponsorship. Contact nina@charityforchildren.net if you would like to find out more about sponsorship.

Otto Media specializes in the creation of traditional and innovative media for local, national and international businesses. The agency leverages the latest technology to deliver high production value with scale to accommodate small to large business marketing and advertising budgets. Otto Media is headquartered in Syracuse, New York and serves clients throughout the United States.
